## Electric Boat Employees' Community Services Association Food Collection FAQs

**How do I get there?** Make your best way to Mohegan Sun. The Riverview parking garage is the best for this event. Once inside, follow signs for the convention center, and come inside to our sign in table (the doors will be closed since the main event is over).

**Can my kids come?** Probably- This ballroom will be like a construction zone, with LOTS of tripping hazards, and moving heavy equipment as this huge show breaks down. Children under the age of 16 must be next to their legal guardians at all times, and we reserve the right to request volunteers we feel are unsafe to stay helping only at the sign in table.

**Does this count for required community services hours?** Yes! At the sign in table we have someone that will sign any required forms, and will also give out certificates to children (of all ages when requested).

**I can't lift heavy things, can I help?** Yes! We can always use volunteers at the sign in table, taking pictures, and packing light weight items like paper plates and spices into boxes for others to move onto the pallets.

**How will I know what to do?** At the sign table we will give you a quick brief, and in the room we can pair you with an experienced volunteer.

**I am lost/ have another question the day of the event, who do I contact?** Please call Kim Deschamps' cell phone (860) 303-4667 or Sharon Peccini (860) 334-8468. We will be working, and will try to pay careful attention to our phones on site.

**I can't be there the whole time, is that ok?** Yes! Whether you have 15 minutes to volunteer, or two hours, many hands make for light work. How late we will be there depends entirely on how many volunteers come to help.

**Where does all this food go?** It will all be brought to the Gemma E. Moran United Way/Labor Food Center to be distributed to over 70 local pantries <http://www.uwsect.org/food-center>
