

Tommy Toy Collection

2025

Through the combined effort of Employees from EBECSA, AAPIN, ADAPT, BEC, EBAAA, EBAC, EBVN, EQUAL, ForWARD, HSA, EBMA, the MDA, MTC and UBC&J the 2025 Tommy Toy Stuff the Truck event was a success! This annual drive benefits the Tommy Toy fund, a partner program of the United Way of Southeastern CT, who provides toys for the holidays to underprivileged children in our community. The drive ran from November 17th through December 5th, with employees bringing new, unwrapped toys to sponsored collection boxes located throughout all the CT worksites. Electricians were also on hand to collect monetary donations outside the shipyard gates on December 1 and 2nd. Employees from Transportation drove the box truck to the various facilities for pickup on Monday December 8th and “Stuffed the Truck” before dropping them off at the Gemma E Moran United Way Labor Food Center for distribution. Members of the various ERG’s and employee organizations volunteered to help sort, set up and distribute the toys as well.

The generous donation of toys, money, and time from the Employees of Electric Boat helped the United Way to brighten the holiday for over 3,400 children this year.

Thank you to everyone who hosted a site or helped with collection and distribution!
