East Lyme Giving Garden
Day of Caring Event
May 16, 2026

Volunteers from the Electric Boat Employees Community Services association were at the East Lyme Giving Garden on Saturday May 16th. A small but mighty group of 10 Employees, alongside their friends, family and garden volunteers, weeded the garden beds, dug trenches by the hoop houses and helped get the space ready for summer planting. This location, which was founded 5 years ago and is one of 3 giving gardens in the area, donated over 14,000lbs of fresh produce to the Gemma E. Moran United Way Labor Food Center last year. These fruits, vegetables and fresh herbs are distributed throughout Southeastern CT at food lockers at partner agencies and the Mobile Food Pantries.

Thank You!

If you are interested in getting notifications of our next volunteer event, please reach out to a member of EB ECSA or email ebecsa@gdeb.com so you can be added to the email list.
